

PROGRAM DIRECTOR RESIDENTIAL TREATMENT CENTER

Lakemary Center, Inc. is a not-for-profit agency devoted to supporting the lives of individuals with developmental disabilities. Lakemary offers community-based programs and services for over 500 individuals of all ages and ranges of need in the metropolitan Kansas City area (on the Kansas side).

Lakemary's Paola Campus (20 minutes south of the metro area) is the home for a residential treatment center for school age youth (64 beds) with developmental disabilities and concurrent psychiatric disorders. A fully dedicated, on-campus school is an integral part of the center. This program is licensed by the Kansas Medicaid authority as a PRTF (Psychiatric Residential Treatment Facility). The Director provides hands-on leadership in all aspects of the treatment program including admissions, treatment planning, behavioral interventions, clinical supervision, regulatory compliance, and CARF accreditation maintenance. The Director reports to the CEO and sits on the Executive Team which oversees the broad mission of the agency. The Director develops and maintains collaborative relationships with the School staff, consulting psychiatrist, other community providers, referring agencies and state partners.

The successful candidate will be an individual with proven treatment and assessment skills with this population of dually-diagnosed youth, significant and progressive program leadership and supervisory experience, and a drive for excellence that mirrors the Lakemary spirit.

Appointment available to the Clinical Faculty, Department of Psychiatry, School of Medicine, University of Kansas.

Minimum qualifications:

- Doctoral level psychologist. Current Kansas license (or eligible for reciprocity).
- 10+ years experience working with individuals with disabilities and 5+ years of supervisory experience.
- Proficiency in the use of a wide range of evidence-based behavioral strategies.
- Knowledge of Federal regulatory requirements related to developmental disability services.
- Management experience in a nationally accredited agency.

Lakemary Center's core values support every effort to help the individuals we serve reach beyond their disabilities.
