

**Kansas Psychological Association
Fall 2023 Conference
6.0 Hours of CE offered via Zoom
Friday, November 3, 2023**

PRESENTING

**8:30-10:00 AM- A Vision for the Future of APA and Psychology
Presented by Arthur C Evans Jr, PhD- CEO
American Psychological Association**

Learning Objectives

- Describe how APA's strategic priorities can shape the future of psychology;
- Determine ways in which psychological science and practice can contribute to a population health approach;
- Describe how a population-based framework enables behavioral health professionals to reach diverse, underserved populations.

**10:30 AM - 12:00 PM- Multicultural Psychology in Organized Psychology and in Theory and Practice
Presented by Cynthia de las Fuentes, PhD**

**1:00-2:30 PM- The Joys and Challenges of Rural Practice
Presented by Lindsay Oram, PhD, Gracie Ellis**

Learning Objectives

- Articulate several unique challenges associated with practice in the rural context;
- Articulate several unique benefits associated with practice in the rural context;
- Identify resources that might be useful when working to overcome some of the identified challenges.

**3:00-4:30 PM- Application of the MH Stepped Care Model at the Kansas City VA Medical Center
Presented by Peter Jaberg, PhD**

Learning Objectives

- Describe at least one version of the implementation of stepped, population-based mental health care, including patient flow through different levels of the system (i.e., both "up" and "down" the steps);
- Know the variety of stepped care services available to Veterans (and their families) through Kansas City VA Medical Center systems;
- Access national and local resources for connecting Veterans to VA services, including through the Kansas City VA Medical Center (i.e., including crisis resources);
- Understand and appreciate the relative challenges and benefits to service as a Psychologist for the VA (i.e., both more generally and in relation to the stepped-care context), including common ethical and professional considerations and conundrums.
